PERSONALITY

GROUP-MINDED, TROUBLESHOOTER, INDEPENDENT: I developed these characteristics especially during my many years as member and leader at the youth movement in my home town and became more independent while living abroad.

BRIGHT SIDER, TEAMPLAYER, PEPTALK: I like being surrounded by people, working together on the same goal, at work, in sports, for projects,... Motivating colleagues or teammates by being 100% positive and with encouraging peptalk.

SELF-STARTER: I'm interested in a lot of things and always try to get along with it, f.e. surfing, photography, playing the guitar, theater,... I like to learn and am enthusiastic to go for new challenges.
